Why does identity & fraud protection matter?

We're online more than ever before – making us vulnerable to fraud and threats. With digital activity at an all-time high, 89% of employees say that having access to an identity theft product provides peace of mind.¹

What are some of the benefits of this protection?

Aura offers robust protection by monitoring your personal info, credit, finances, and devices and alerting you of suspicious activity. It's proactive protection to help stop threats before they strike. If you are a victim of fraud, an experienced Resolution Specialist will help you navigate credit bureaus, help initiate credit freezes or a credit lock, and work with you to resolve your fraud incident.

How are my finances protected?

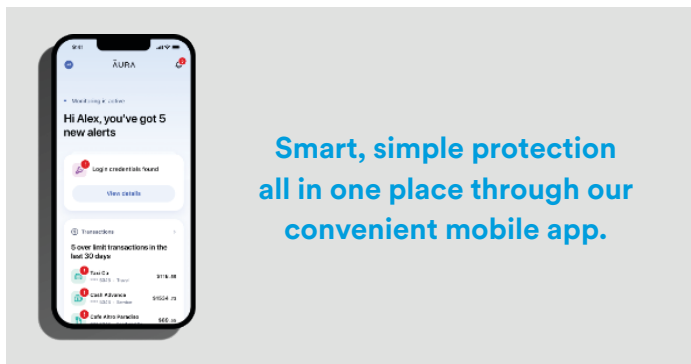

Aura monitors your credit, financial accounts, titles, and alerts you to suspicious changes. We will help you to take charge of your credit with our financial tools and Experian Credit Lock.

What kind of online & device security tools are available?

Every plan comes with smart safety tools including VPN/Wi-Fi security, antivirus, password manager, and more to protect your online privacy and data.

How is my identity protected?

Through extensive monitoring of your social security number, driver's license, passport, ID, and more. Plus, our solution requests the removal of your data from broker lists to help reduce spam like robocalls and robotexts.
